

AN HPIC CHRISTMAS

Life-saving gifts that spread health and hope throughout the holidays!

HELP RESTORE WOMEN'S AND CHILDREN'S HEALTH

"I could not send Elvis to the health center because I didn't have money. I wonder what would have happened to my son if I did not get this free treatment? I say thanks to HPIC for their support to human health."

Ndeogma is so thankful for supporters like you because Elvis is now healthy and growing. For a mother, there is no better gift than the gift of health they receive. Ndeogma is eternally grateful.

This Christmas, you can help women and children like Ndeogma and Elvis with a life-saving gift:

\$25 **10x**
IMPACT

provides essential medicine and healthcare to a child in need.

\$100 **10x**
IMPACT

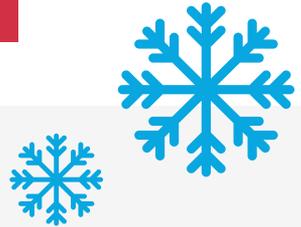

provides a stethoscope, an essential diagnostic tool for health care providers.

\$300 **10x**
IMPACT

can train and equip a health worker to provide high quality care for mothers and children for years to come.

GIVE THE GIFT OF ACCESS TO MEDICINE

"I was sitting on a stool at home and I started to feel dizzy and before I realized it, I was on the ground. I was informed by the doctor that my pressure was high. I admire the kindness of the donors for the support to the clinic because it has allowed me to get the medication I needed free of charge."

Thanks to supporters like you, Mr. Douglas was able to access Enalapril, which was prescribed by the doctor and donated to the clinic from HPIC.

Help patients like Mr. Douglas with the gift of essential medicines this Christmas:

\$600 **10x**
IMPACT

sponsors a Humanitarian Medical Kit which provides 600 treatments to a community in need.

\$750 **10x**
IMPACT

sponsors a skid of essential medicines to HPIC's partners around the world.

SUPPORT

FAMILIES IN REFUGEE CAMPS

"Dzaleka Health Centre is a small hospital in Malawi that lies in the heart of Dzaleka Refugee Camp and directly supports the care of 70,000 individuals living in the community. Due to the great number of people that this centre serves, it regularly experiences shortages of essential drugs and medicines for primary care. In the midst of the COVID-19 pandemic and while facing fear and anxiety, our plea for help was heard by HPIC. The generous aid we receive is stocking our clinic in the Dzaleka Refugee Camp, but also helping to treat others in nearby communities. In the midst of this pandemic, we have not been forgotten and hope and health remains within us."

Help refugees in places like Dzaleka Refugee Camp this Christmas:

\$100 

sponsors the delivery of **\$1,000** worth of essential medicines to refugees.

\$600

sponsors the delivery of a Humanitarian Medical Kit with essential medicines to treat hundreds of individuals living in refugee camps.

PROVIDE SUPPORT DURING CRISIS & NATURAL DISASTERS

This year, HPIC responded to a number of unprecedented medical emergencies, including the global fight against COVID-19, humanitarian relief to the victims of the Beirut blasts, and other communities around the world facing hardship and devastated by conflict.

HPIC's ability to respond to emergencies is completely reliant on financial donations to our Emergency Relief program.

This holiday season, you can be a giver of health and hope in crisis. Ensure that HPIC is ready to ship essential medicines and medical supplies right away.

\$200

provides \$2000 worth of emergency medical aid when needed. **That's 10x the impact!**

\$1,200

covers the cost to airlift a skid of medicines to provide emergency healthcare to communities in need.

\$10,000

co-sponsors HPIC's next emergency response.

12 MONTHS OF HEALTH & HOPE

Become a monthly donor and give the gift of hope every month of the year. You can make a difference for as little as \$20/month.

\$20/MO.

will support the delivery of \$2,400 of essential medicines to a community in need.

\$50/MO.

will sponsor a Humanitarian Medical Kit, providing 600 treatments to a community in need.

\$100/MO.

covers the cost to airlift a skid of relief medicines in emergency situations.

Join this select group of donors, that enable HPIC to act in emergencies when crisis strikes and save thousands of lives in 2021!

ABOUT HPIC

Health Partners International of Canada (HPIC) improves the health and well-being of more than one million people around the world every year. HPIC is set apart by its unique relationship with Canada's pharmaceutical industry in receiving donations of medicine and medical supplies for ongoing work in international development. HPIC works with many partners, including Canadian health care professionals, government and non-government organizations, companies, foundations and everyday Canadians to bring health to children and families living in vulnerable communities.

HPIC equips medical mission teams, stocks clinics and hospitals in impoverished communities, mobilizes medical relief during emergencies and builds local capacity. HPIC is intentional in coming alongside local partner organizations to bring health and hope to those in need and to achieve lasting impact.

Being the only charity licensed by Health Canada to handle donated medicines, Canadians choose to partner with HPIC to support healthcare systems around the world with limited resources.
