

Hey youth!

Global health has never been more important.

Did you know? Nearly 2 billion people have no access to basic medicines, causing a cascade of preventable misery and suffering.

You can change that. Join me and help children and their families living in impoverished and vulnerable communities with the gift of health care and medicine. A donation to HPIC allows them to deliver 10x the medicine to someone in need and I want to help!

Event Name:

Event Date:

My Fundraising Goal: \$

Donate at:

10x impact!

You can also donate directly to HPIC at hpicanada.ca or call **514.822.1112**. Don't forget to mention my event's name when you make your gift.

Thank you for helping me to deliver health and hope. Don't forget to spread the word - health is a foundation for everything - for kids to go to school, parents to earn a living and communities to thrive! #healthandhope
